**Turf Guard™ Wireless Soil Monitoring System**

**FEATURES & BENEFITS**

**Reduce Water Usage and Improve Playability**

Monitor moisture levels and adjust irrigation without risking turf quality. Promote root growth by avoiding over watering. Detect dry areas before they impact the turf's health.

**100% Wireless Network**

No wires between the repeaters and the sensors, or the sensor and the probes means that sensors can be installed anywhere on the course without disrupting play. Install sensors without having to trench or pull wires.

**Take the Guesswork out of Managing Salinity**

Track salt build-up and schedule flushing as needed. Get positive confirmation that you're flushing reduced soil salts. Know when and how much water to flush with.

**Specifying Information—Turf Guard®**

| Model     | Description                                |

**MTI's Toro® Circuit Board Exchange Program**

---

**The Circuit Board Exchange Program Provides:**

- Immediate replacement • Low, standard-cost pricing • Two year warranty on all replacement units

For Circuit boards listed below, just take them to Brooklyn Center location for an over-the-counter exchange. Pay the board price for replacement. If you do not have the board to exchange, please add the core charge, and that will be credited back when returned.

| Product      | Part #   | Description      | Board Price | Core Price | Core Part Number |
|--------------|----------|------------------|-------------|------------|------------------|
| Network 8000 | R91-1280 | Timing Mechanism | \$393.00    |            | C91-1280         |
|              | R35-6166 | Power Supply     | \$226.00    |            | C35-6166         |
|              | R35-7899 | Surge Board      | \$168.00    |            | C35-7899         |
|              | R89-8100 | Triac Board      | \$101.00    |            | C89-8100         |
|              | R35-8646 | Modem Board      | \$197.00    |            |                  |

NOTE: **There is a core charge if core isn't returned with the board exchange.**

| LPP-300 | 3" Joint Restraint, Pipe to Pipe | N | \$135.00 | 1 |
| LPP-400 | 4" Joint Restraint, Pipe to Pipe | N | \$163.00 | 1 |
| LPP-600 | 6" Joint Restraint, Pipe to Pipe | N | \$224.00 | 1 |
| LPP-800 | 8" Joint Restraint, Pipe to Pipe | N | \$280.00 | 1 |

**Set consists of two half clamps and hardware that restrains a bell-spigot PVC pipe connection.**

**LGK Series (2–12")**

|         |   |   |          |   |
|---------|---|---|----------|---|
| LGK-300 | 3" Joint Restraint, Pipe to Fitting, Gate Valve | N | \$183.00 | 1 |
| LGK-400 | 4" Joint Restraint, Pipe to Fitting, Gate Valve | N | \$199.00 | 1 |
| LGK-600 | 6" Joint Restraint, Pipe to Fitting, Gate Valve | N | \$244.00 | 1 |
| LGK-800 | 8" Joint Restraint, Pipe to Fitting, Gate Valve | N | \$280.00 | 1 |

**Set consists of two half clamps, two tie-bars and two SB-Links that attach to a Leemco fitting and on the opposite end to the PVC pipe to restrain a gate valve in between.**

**LG Series (2–12")**

|        |  |   |          |   |
|--------|--|---|----------|---|
| LG-300 | 3" Joint Restraint, Push-on Gate Valve | N | \$224.00 | 1 |
| LG-400 | 4" Joint Restraint, Push-on Gate Valve | N | \$262.00 | 1 |
| LG-600 | 6" Joint Restraint, Push-on Gate Valve | N | \$328.00 | 1 |
| LG-800 | 8" Joint Restraint, Push-on Gate Valve | N | \$410.00 | 1 |

**Set consists of two half clamps and hardware that attaches PVC pipe to Leemco ductile iron fittings.**

**Note: Not all sizes are listed and not all sizes and models are stocked.**

**General Electric Pump Starters**

**NOTE: Furnas brand is no longer available, but we can convert to GE. New starters are being sized by full load amps and new starters have adjustable amp reset. Because of the discontinuation of certain size starters/contactors, we are currently using General Electric C-2000 assembled starters, NEMA 1**

**CJ101 Pump Continued**

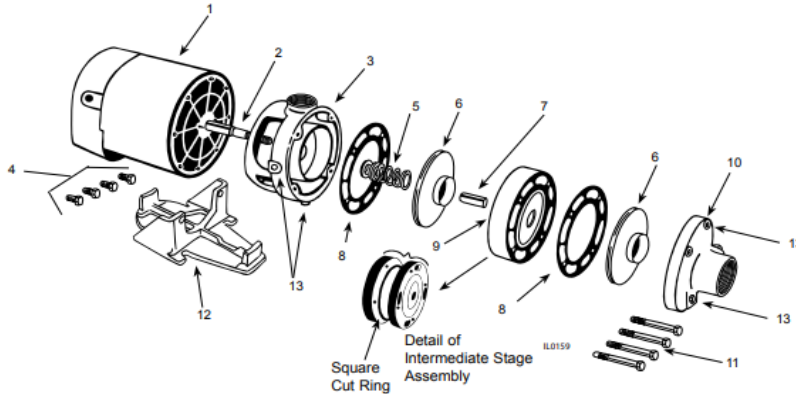

**To Figure Total Head in Feet:**

Take Pressure required to run system,  
(Multiply by) x 2.31  
(Add) + Vertical Lift  
(Add) + Friction loss in Worst Zone =  
Head and Feet Total.
