April 1st	Commercial Landscape Pump Service Class	MTI Distributing Brooklyn Center, MN	<a href="#">REGISTER HERE</a>

Course Title	Description
Basic Res Com Irrigation Training	This course is designed for individuals who are new to landscape irrigation systems. Participants will gain a comprehensive understanding of the various components that constitute an irrigation system, as well as their appropriate applications.
Commercial Landscape Pump Service Class	Introductory training class for non-golf applications of a Watertronics pump station. Participants will learn about basic setup, WaterVision software, and troubleshooting techniques.
